

Lock Game Ideas:

- Easy
- Confused because game was too easy
- Knew what was going on
- Pretty easy
- Took a while to read binary

Story:

Page 1:

You finish your work early and you don't have anything to do, and you see a person struggling with the same work that you finished. What would you do?

(Go up to the person and help them)

Page 2:

You walk up to the person and see that they are trying to understand a foreign language (Mandarin).

(You know the Language)

Page 4:

You help them decode this message in Mandarin.

(You don't know the language)

Page 5:

You ask someone else for help.

(Sit staring at your computer)

Page 3:

Well....You're a jerk!
